6800 Southwest Fwy, Houston, TX 77074

\$5 at the door

Engineers Without Borders-USA is a 501(3)c nonprofit humanitarian organization established to support community-driven development programs worldwide through partnerships that design and implement sustainable engineering projects. These projects range from access to clean water, sanitation, civil infrastructure, and other areas of need. Our Chapter has programs in the USA, El Salvador, Ethiopia, Bolivia, and various other countries.

ENGINEERS WITHOUT BORDERS USA
CENTRAL HOUSTON PROFESSIONAL CHAPTER

Come join us fundraise and support the EWB Central Houston Chapter. Experience traditional Ethiopian coffee ceremony. Enjoy drink specials and the company of your fellow Houstonians all while supporting a great cause at Lucy Restaurant & Lounge . Bring your friends! All donations will go to Weledi, Ethiopia sanitation project for the construction of latrines.
